Commonly Asked Questions

How do I add a guest player?

Step 1: OBTAIN the guest player's card and medical release form.

Step 2: ADD the guest player by handwriting full name, unique jersey number, player identification number, and date of birth to the bottom of the existing approved roster.

Step 3: SCAN and COMBINE into a PDF document (online only).

Can I have different player passes from different organizations?

Mixed rosters will **NOT** be allowed – NO exceptions. US Club teams may only take a guest player registered under US Club Soccer. USYSA teams may only take guest players registered with properly stamped USYSA player pass cards.

How do I add a guest player after I submitted my online registration?

Contact Alexis at aaprice@mdsoccerplex.org to add guest players online. You will need to upload an updated roster with the guest player's information on it (jersey #, name, birth date, player ID #) and upload their player card (either separately or with the rest). Please let me know when this has been completed.
